DRAFT Strategy to Review LCR Compliance and Implementation in Region 2 - June 2018.docx

Hi Christine,

As we discussed previously, we drafted an updated regional strategy for LCR. I was thinking we could use next week's meeting to discuss...maybe we can start our standing meeting a half hour earlier and Kara can join us. The idea is that this document is comprehensive and then we'll have annual workplans that establish our commitments based on resources, etc. The attached draft includes a summary of what we're calling "Phase I" but let me know if you'd like to see the original strategy too.

Thanks.
